“ **PST** has provided our company with outstanding work and service for many years. Annually, we consider the performance and benefit of each vendor with which we do business and when we analyze the cost, the results, the customer service and the regulatory compliance provided by **PST** our rapid conclusion is why change.. we already are working with the best! Highly recommend **PST** and their menu of services for public issuers.
— Christopher D., Issuer

“ **Pacific Stock Transfer** is truly peerless. They've always been head and shoulders above other transfer agents but they've started separating themselves more drastically in the past 1.5-2 years due to other TA's getting progressively LESS transparent. They're peerless in regards to customer service as well.
— David A., Investor

“ **PST** consistently exceeds our expectations. Their staff understand our needs and goes out of their way to provide a level of support that instills confidence in the outcome. With such an important function, it is comforting to know we can rely on **PST**.
— Joseph Z., Issuer

“ I've been dealing with quite a few stock transfer companies over the past few years and I have to say that dealing with **Pacific Stock Transfer** has been one of my best experiences. They go above and beyond what's expected of them.
— Yohan N., Institutional Investor

“ As the CEO and Chairman of a small public corporation... I believe one of the best things I ever did was to engage **Pacific Stock Transfer** Company as our transfer agent. In 2006, immediately after assuming control, I changed the Company's transfer agent from a New York-based firm to **PST** in Las Vegas. We never looked back, and the service was exemplary and fair-priced all the way. I highly recommend them without reservation.
— Steve S., Issuer

“ As an investor/shareholder who works with numerous transfer agents, I've found that **Pacific Stock Transfer** is second to none. The entire team at **Pacific** is extremely professional and very prompt in their communications. I would highly recommend **Pacific** as a transfer agent to any public company.
— Chris, Investor

“ Perhaps the best transfer agent in the business for OTC issuers. I have worked with TAs for over 25 years and always receive prompt, courteous, professional service. Highly recommend reaching out to anyone at **Pacific** to learn more.
— Paul W., Institutional Investor
